ATTACHMENT NP-138  
**NAMING PROPOSAL**

CITY OF  
**BALLARAT**  
ABN 37 601 599 422

**ALTER BOUNDARY BETWEEN  
ALFREDTON AND LAKE GARDENS**

Ward: Alfredton & Learmonth  
Council Reference: NP-138

**The Proposal In Brief**

If implemented, this proposal will alter the boundary between the suburbs of Alfredton and Lake Gardens.

**Effect On Property Addresses**

This proposal will affect the address of Ballarat Golf Club, in that the existing clubrooms and tennis courts, which are presently in Lake Gardens, will be in Alfredton. New clubrooms are to be erected approximately one kilometre further west in any case, so the boundary alteration will not impose any additional inconvenience to the club.

**Locality And Feature Details**

The existing boundary between the suburbs of Alfredton and Lake Gardens follows a disused railway and part of Sturt Street. The existing boundary is shown by a heavy broken line and the proposed boundary by a heavy solid line on the locality plan below.
