Change Advisory Notice 292: Delay in full-file Vicmap LAT supply between 23 and 29 January 2023

What is happening

There has been a decision to delay the release of the full file State-wide Vicmap LAT products for one week, between the dates of 23 January 2023 to 29 January 2023 (inclusive).

Why is this change occurring?

Spatial data changes coming from the Digital Cadastre Modernisation project were incorporated into Vicmap a week ahead of schedule, and this may have adversely affected customers who may not have had sufficient time to realign their data to the upgraded Vicmap. We apologise for the inconvenience caused to all customers.

Who does this affect

This change notice concerns all customers that download the full file Vicmap LAT products:

- Vicmap Property;
- Vicmap Address;
- Vicmap Admin Boundaries; and
- Vicmap Crown Land Tenure.
