

23 January 2023

## Change Advisory Notice 293: Notice for IUF data supply customers regarding weekly supply dated 23 January 2023

### What is happening

The weekly IUF supply for 23 January 2023 contains the incremental update incorporating the DCM spatial changes for the Whittlesea City Council LGA extent. This update comes approximately one week ahead of the intended delivery date.

### Why are we notifying you?

The Digital Cadastral Modernisation data for Whittlesea City Council was incorporated into Vicmap a week ahead of schedule and this may adversely affect IUF customers who have not had sufficient time to realign their data to the upgraded Vicmap for the area bounded by the Whittlesea City Council area. We apologise for the inconvenience caused to all customers.

If customers are not ready for the incorporation of the upgraded data for Whittlesea, they can choose to delay loading Whittlesea data for one week. However, customers will need to load the 23 January IUF data prior to loading IUF supply for 30 January 2023.
